2025 Annual General Meeting

Following the merger between Bank Australia and Qudos Bank, you're invited to participate in this year's Annual General Meeting.

As a member of Bank Australia you have a say in the future of your bank. You have the right vote on matters put to members like Director elections or proposed changes to the Constitution, as well as ask questions of the Board and management team on the running of your bank.

The AGM will be run as a hybrid meeting, which will allow members the flexibility to attend in person or participate online.

2025 election of Directors

MUFG Corporate Markets will conduct the 2025 election for two (2) Directors to serve on the Board of Bank Australia.

Directors of Bank Australia are elected for a three-year term or appointed by the Board. Returning Directors may stand for re-election without nomination if they are eligible for election. Director, Jennifer Dalitz retires by

rotation this year and being eligible, has offered herself for re-election as a Director. Appointed Director Anthony Healy has declared he will also stand for election.

Nominations are invited from eligible members of Bank Australia to stand as candidates at the election. Nominations must be received by 12 noon on Thursday 31 July 2025.

An individual is eligible to be a Director nominee if the person meets the criteria set out in Bank Australia's Constitution.

Nominations Committee

In accordance with Bank Australia's Constitution, the Board has established a Nominations Committee, which comprises a majority of independent members (one of whom will be the Chair of the Committee). The Committee is comprised of the Deputy Chair of the Board and two independent members. The responsibility of the Committee is to determine which nominees (if any) are of appropriate fitness and propriety to become a candidate and act as a Director, by reference to the Board's fit and proper policy.

Each nominee Director who seeks nomination and each retiring Director who stands for re-election without nomination will be invited by the Nominations Committee to attend an interview on Monday 11 or Tuesday 12 August 2025 to determine the suitability of the nominee for election as a Director.

Mandatory Selection Criteria

Each candidate for the position of Director is expected to have the following mandatory competencies with a level of competence sufficient to enable a meaningful contribution to Board deliberations:

- A comprehensive understanding of the roles and responsibilities of a director; including the regulations required in the financial sector;
- The ability to understand retail banking risks, including risk identification and monitoring of risk mitigation;
- Has experience in an organisation (or organisations) of comparable scale and complexity to Bank Australia;
- A commitment to mutuality values, sustainability and responsible banking principles; including the ability to be seen as a role model for the Company's brand through the demonstration of actions and behaviours;
- The ability to evaluate, form conclusions and apply good judgement;
- The ability to understand the Company's strategy;
- The capacity and willingness to undertake continuous professional development and learning to acquire and update skills and knowledge relevant to the role of Director of the Company;
- Good financial literacy; and
- An understanding of their obligations as an Accountable Person under the Financial Accountability Regime (FAR), namely to:
 - act with honesty and integrity, and with due skill, care and diligence;
 - deal with Regulators in an open, constructive and co-operative way; and
 - take reasonable steps to prevent matters from arising that would adversely affect the accountable entity's prudential standing or prudential reputation; and

- take reasonable steps to prevent matters arising that would result in a material contravention by the accountable entity of any of the laws specified under s21(d) of the FAR Act.

In 2025 candidates must have one of the following additional competencies required to meet a desired skills mix on the Board:

- Extensive Corporate Governance experience
- Board Risk Committee experience
- Merger & Acquisition experience
- Financial Services experience, preferably banking.
