Keep yourself safe from phone porting

When fraudsters transfer your mobile number to their device (this is known as phone porting), they can access your texts, including password resets and verification codes. This can allow them to log into your accounts and the ability to steal your identity and money.

There are steps you can take to protect yourself from a porting hack.

Visit bankaust.com.au/scams to find out more.

Please check the transactions on your statement to make sure they're correct. If you don't recognise a transaction and you'd like to dispute it, please contact us. You can also refer to our 'Account & Access Facility Conditions of Use' on our website for account or dispute resolution details. Please retain this statement for taxation purposes.
