ESS Annual Tax Statement 01 July 2023 to 30 June 2024

The information in this statement is provided to assist you with completing your 2024 Australian tax return for individuals, in relation to income from your participation in Atlassian's employee equity plans for the period 01 July 2023 to 30 June 2024.

Reporting to the Australian Taxation Office (ATO)
Your employer will report details to the ATO of the awards granted to you under Atlassian's employee equity plans where a deferred taxing point arises.

Completing your tax return for individuals

This information should be included in your 2024 tax return for individuals. If you receive multiple tax statements please note you will be required to add up those values in each label across each statement when completing your tax return. If you require any further information please refer to the individual tax return instructions 2024 and individual tax return instructions supplement 2024 or alternatively consult your tax adviser. You are ultimately responsible for reviewing and validating the data before submitting to the tax authorities.

Keep your statement

The information in this statement is provided by Morgan Stanley at Work on behalf of your employer. We recommend that you retain a copy of this statement as the information within is relevant for taxation purposes.

Glossary

- 1) ESS:** Employee Share Scheme.
- 2) Employer name:** The name of the company in which you hold the securities.
- 3) Acquisition date:** The date at which the award was granted.
- 4) Deferred taxing point:** The date the taxing point occurs. The taxable discount arising on the ESS interests is included in the employee's assessable income at the deferred taxing point. In determining the timing of the deferred taxing point, no consideration is given to any sale restrictions that may be imposed on your securities as a result of the company's security trading policy. If you are not able to trade your securities at the time of the deferred taxing point due to these restrictions, you should obtain professional tax advice on the implications for you.
- 5) Market value per share:** Market value per share at the deferred taxing point.
- 6) Incidental costs:** The brokerage costs or administration fees incurred during the sale of the security.
- 7) Taxable in Australia:** The percentage of your award reportable in Australia.
- 8) Taxable value at deferred taxing point:** Value of your ESS interests on the relevant date used to calculate the assessable discount at the deferred taxing point.
